

## 18-19 WINTER 1 BISHOPS CLEEVE LOCATION

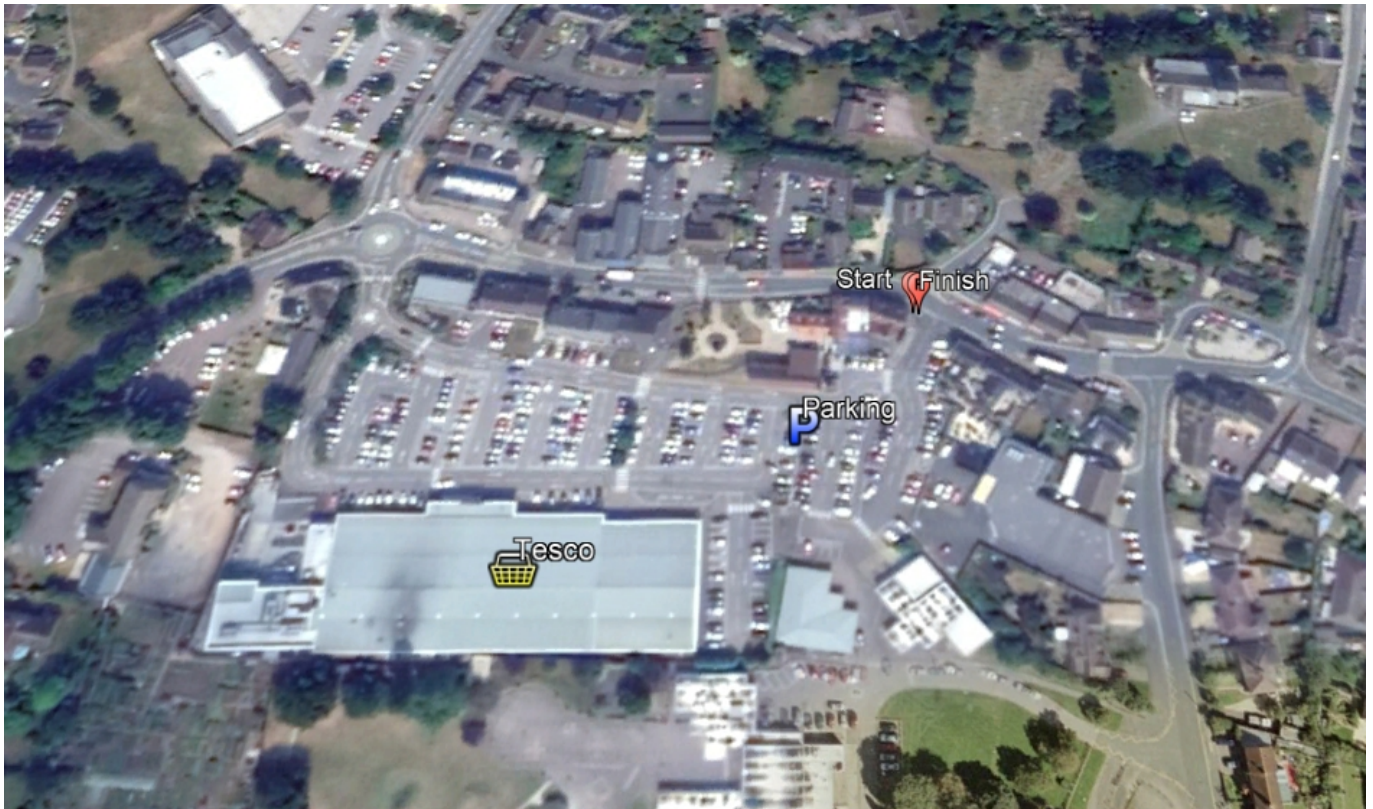

Parking is in the Tesco car park in the centre of Bishops Cleeve, in Church Road. The start and finish are near the top end of the car park, so best to park up there somewhere.

Narest postcode: GL52 8LR

Start and Finish are where the pedestrian path away from the top corner of the car park meets Church Road proper, just across the car park access road from the Royal Oak pub.

The car park is for Tesco customers, so you should pop in and buy something before or after your run.

For some reason the quality of Google aerial photography in Bishops Cleeve is far worse than elsewhere, but hopefully you can get an idea of the laction from the image below.

The start and Finish are just to the right of the white car in front of the guy with the box!
